**To:** Diana Gonzalez <diana.gonzalez@lacity.org>

Got it, thank you.

Also, I received a call from GAP this morning. Staff will be there tomorrow to open and secure the premises of the parking lot, as well as provide the assistance needed. Thank you so much for your help!

Hello,

We've received an update regarding the Mobile Hygiene Unit and service will also be suspended this week - Monday, November 16th to Friday, November 20th.

More updates will come soon.

Thank you.

Good Afternoon,

LASAN has been notified that several personnel assigned to the Mobile Hygiene Unit (MHU) program have tested positive for COVID-19.

Out of abundance of caution, the MHU program will be suspended for the week of 11/9 - 11/13/2020. MHU teams have been identified and instructed to self-quarantine and have been encouraged to get tested. Contact tracing is being conducted and assessed. All vehicles associated and assigned to the program are in the process of being decontaminated.

LSD will keep our partners informed on the status of a timeline for reinstatement of service.

Re: Update on MHU Service - Week of 11/9/20-11...

More information to follow as it becomes available.

Thank you.
